## Sewing Tools

### -Tools I use most -Tools for getting started sewing

I work as a tailor at a uniform shop and have sewn many types of sewing projects

These are the tools I use most often:

### My most used tools

- |                    |                          |
|--------------------|--------------------------|
| 1. all scissors    | 9 Clips                  |
| 2. fabric scissors | 10. Screwdriver          |
| 3. Snips           | 11 Extra machine needles |
| 4. Razor blade     | 12 Thimble               |
| 5. Needles         | 13 Thread                |
| 6. Seam ripper     | 14 Rulers                |
| 7. Yard stick      | 15 Iron                  |
| 8. Chalk           |                          |
